

Mercy, Mercy

Am7, D7

Jesus, my Redeemer
You washed my sins away
Carried all my burdens to the cross
Paid the price I could not pay

Jesus my deliverer
You saved me from the grave
You were dead and buried, rose again
Now with You I will be raised

C
Such mercy, mercy to me
Em
Such mercy, mercy to me
Am7 **Fmaj7**
What mercy, mercy to me, I have been released
C/G
Such mercy, mercy to me
Em7
What mercy, mercy to me
Am7 **Fmaj7**
Such mercy, mercy to me ... I'm free

Jesus You're my healer
Your blood has covered me
Your bruised and broken body brought me peace
Carrying my infirmities

Jesus You're my saviour
I'll never be condemned
You've given me a future
Life with You that has no end
